VISION AND MISSION OF THE UNIVERSITY

The vision of Caritas University is to rescue our wandering youthful population from further slide into academic and moral decay, and to develop and transform our society through sound and unadulterated education. Its mission is to discover and apply the knowledge of Science and Engineering for human well-being and sound development of man for better society.

PHILOSOPHY

The University promotes discipline and sound education for professional skills and competencies in various fields. By discipline, the University means the subjecting of the mind, body, soul and spirit to obedience and self control. We prepare the students to be intellectually and professionally sound for the different tasks and roles in the society, and with sound morals to face the world with its tensions, conflicts, challenges and contradictions.
